FROM THE PRINCIPAL’S DESK

BE THE BEST YOU CAN BE

PARABLE OF THE PENCIL

The Pencil Maker took the pencil aside, just before putting him into the box. “There are 5 things you need to know” he told the pencil; “Before I send you out into the world. Always remember them and never forget, and you will become the best pencil you can be; -

ONE - You will be able to do many great things, but only if you allow yourself to be in Someone’s hand
TWO – You will experience a painful sharpening from time to time, but you’ll need it to become a better pencil.
THREE – You will be able to correct any mistakes you might make
FOUR - The most important part of you will always be what’s inside
FIVE - On every surface you are used on, you must leave your mark. No matter what the condition, you must continue to write.”

The pencil understood and promised to remember and went into the box with purpose in its heart.

Allow this parable of the pencil to encourage you to know that you are a special person and only you can fulfill the purpose to which you were born, to accomplish. Never allow yourself to get discouraged and think that your life is insignificant and cannot make a change.
